

**DIRECTIONS**

*For Use on Turf Areas*

- Dilute 1 gallon of LIQUID FERTILIZER 5-15-10 with a sufficient amount of water to cover 3,000 - 5,000 ft<sup>2</sup> of turf.
- Soak thoroughly into soil with water solution.

*For Use on Ornamentals, Shrubs and Nursery Stock*

- Use the same dilution rate as above.
- Pour or inject solution around root zone.

*For Use on Trees and Ornamental Shrubs*

- Dilute 1 part LIQUID FERTILIZER 5-15-10 to 100 parts water.
- Apply 4 gallons of this solution for every inch of trunk diameter.
- Pour or inject solution around root zone and drip line.

*Keep from freezing. Cold or freezing weather may cause this product to separate or thicken. This will not harm performance. Before using, warm to room temperature and stir thoroughly.*

## LIQUID FERTILIZER 5-15-10

PROMOTES STRONG GROWTH OF ROOTS AND PROPER STALK DEVELOPMENT

**GUARANTEED ANALYSIS**

|  |      |
|--|------|
| Total Nitrogen (N) (3.6% Ammoiacal Nitrogen and 1.4% Water Soluble Nitrogen) | .5%  |
| Available Phosphorus as Phosphoric acid (P <sub>2</sub> O <sub>5</sub> )     | .15% |
| Soluble Potash (K <sub>2</sub> O)  | .10% |
| Derived from Aqua Ammonia, Urea, Phosphoric Acid and Potassium Hydroxide.    |      |

NET CONTENTS: ONE GALLON (128 fl. oz.)

**CAUTION:**

May be harmful if swallowed. See side panel for additional precautions and first aid instructions.

**KEEP OUT OF REACH OF CHILDREN**

**DESCRIPTION**

LIQUID FERTILIZER 5-15-10 contains a relatively low level of nitrogen so you can apply it any time of year without burning. The high phosphorus content simulates fast and deep root growth as it toughens the small feeder roots of newly seeded areas, plants, shrubs, ornamentals and nursery stock. The extra potassium found in this liquid fertilizer encourages proper stalk development.

**CAUTION:** May be harmful if swallowed. Avoid contact with eyes and mucous membrane. If swallowed, give several glasses of water and call a physician immediately. If splashed in eyes, flush with plenty of cold water for at least 15 minutes. If irritation persists, obtain medical attention.
