

**FOR INDUSTRIAL USE ONLY
NOT TO BE USED BY
NON-PROFESSIONALS
OR UNTRAINED PERSONNEL**

DESCRIPTION:

A highly concentrated industrial liquid degreaser specifically formulated for specialized heavy duty cleaning. Biodegradable. **Meets all new Right-To-Know Regulations.** Non-flammable and non-toxic. The best general purpose degreaser. Contains no butyl or petroleum solvents.

USES:

General Use:

Use a manually of with floor scrubber to remove tire marks, grease, oil, rust and scale from concrete, metal and wood block floor. Wipe down oil spray from walls and duct work. Excellent for cleaning construction equipment, drilling rigs, farm implements and railroad locomotives.

Aircraft Cleaning:

This will remove grease, carbon, oil and heavy smoke mark from aluminum, stainless, titanium and alloy surfaces. Will not remove paint or decals. Great for cleaning turbines, aircraft wheels, landing gears, aircraft skin and belly, laminated shims, fuselage exterior, wheel wells, engine cavities, bearing housings, jet engine parts, fan blades and aircraft shrouds.

Safe for rubber seals, valves and O-rings. Meets ARP 1755A Regulations. Safe for hot or cold use. Non-polluting. Non-flammable.

This will remove grease and oil stains from hanger floors.

SAFETY FIRST ARP/424 AIRCRAFT CLEANER

**HEAVY DUTY
NON-FLAMMABLE AND
